WHO WE ARE

ABOUT US

Global Grid DMC is a B2B destination management company built for travel agents and tour operators who refuse to compromise. We operate across the most sought-after destinations in North India and select international markets, providing hotels and private transport as a ground partner so your clients travel well and your margins stay intact.

GET TO KNOW US *Continued...*

We cover North India's most in demand travel corridors **Uttarakhand, Himachal Pradesh, Jammu & Kashmir, Ladakh, Uttar Pradesh**, and select regions of **Punjab** alongside **Singapore, Malaysia, and Japan** for your outbound clients.

Every query your agency brings us is answered with a complete ground solution the right **hotel** at the right rate, a dedicated **vehicle** from arrival to departure, and the **local knowledge** to keep the journey running smoothly when it doesn't go to plan. Weather closes a road. A property overbooks. A client needs a same day reroute. That is precisely where destination expertise earns its place and with Global Grid DMC, that expertise costs you nothing extra.
